

1946 Piper PA-12 Super Cruiser
AIRCRAFT SPECIFICATIONS
N-Number: N2542M S/N: 12-1031

Owned and loved by father and sons for 34 years, this is a very nice Super Cruiser barn find. In overall very good condition, it has just gone out of annual and is being offered 'AS IS'. Illness forces sale and we flew the aircraft from its hangared base to our facility. All logs since new in 1946. Excellent candidate for upgrade to a 150 hp engine. Call for details.

Airframe: 3,030 Hours
Engine 1: 1,210 Hours SMOH Engine 2: 620 Hours STO
