

1972 Cessna 150L
AIRCRAFT SPECIFICATIONS
N-Number: N5XX2Q S/N: 15073232

This 150L is a sweet little jewel with only 3,288 total time. It has a fresh annual and IFR certification, new carpet, strong motor with plenty of hours left before TBO. It has been super well maintained on 100-hour inspection since 2002 by the owners, a leading maintenance shop and flight rental company in the Florida Panhandle. It is being sold to make room on the line for 4-place aircraft. This is a really solid aircraft and great opportunity for a primary trainer or commuter.

Airframe: 3,288 Hours
Engine: 1,298 Hours SMOH
PROP: 469 HOURS SPOH
