

1978 Beechcraft C24R Sierra
AIRCRAFT SPECIFICATIONS
N-Number: N23PX S/N: 0057

One owner for 30 years in RDU area, this C24R Sierra has benefitted from excellent maintenance. Full IFR platform with Garmin 155XL and HSI, Century III with Altitude Hold and Strikefinder. Wide cabin, two door and lots of comfort with 130 kits on 10 gph, 910 lb useful load along with the big baggage door makes the Sierra a super general purpose cross-country machine.

Airframe: 3,770 Hours
Engine: 1,935 Hours SMOH
PROP: 2,078 HOURS SPOH
