

1959 Piper PA-24-250 Comanche 250
AIRCRAFT SPECIFICATIONS
N-Number: N5962P S/N: 24-1054

She's a beauty! Fast and Red, the best combination for a 59' Comanche 250 with an excellent IFR panel including Garmin 530, GTX-330 Transponder with TIS, Fuel Flow and Stormscope. Great cross-country platform with total of 30 gal in tip tanks that also increase useful load by 200 lbs. Lost logbooks due to flood, but well worth a look for those in the know about performance and utility of the 250. Engine just beyond TBO, but running well. Make offer!

Airframe: 4,082 Hours
Engine: 2,197 Hours SMOH
PROP: 142 HOURS SPOH

Avionics

Garmin GNS-530 WAAS IFR GPS/Nav/Comm
