

1975 Beechcraft C23 Sundowner
AIRCRAFT SPECIFICATIONS
N-Number: N9247S S/N: M-1743

This Sundowner is clean as a whistle and super well equipped for IFR cross country or training. Updated with Garmin avionics and GNC300XL GPS/COMM, the Sundowner offers fantastic comfort and and solid, reliable flying feel. Why would you fly a Cherokee when you could own a Beech?

Airframe: 3,637 Hours
Engine: 1,604 Hours SMOH
PROP: 679 HOURS SPOH
