

1972 Cessna 150L
AIRCRAFT SPECIFICATIONS
N-Number: N533AC S/N: 15073237

Solid and simple, this sweet 150L has been privately own and flown for the past 9 years and was a local North Carolina aircraft before that. Only 565 hours since major overhaul in 2001. Very nice interior - this will make a great trainer or commuter.

Airframe: 6,995 Hours
Engine: 565 Hours SMOH
