

1952 Cessna 195B Businessliner
AIRCRAFT SPECIFICATIONS
N-Number: N3005B S/N: 7888

The Cessna 195 Businessliner is one of the most iconic general aviation aircraft ever built. N3005B is a beautiful example of this beefy but elegant post-war radial taildragger. Low total time on the airframe, and just 112 hours since major overhaul of the Jacobs 275J-B2 radial engine. Beautiful paint and custom interior. Auto Gas STC for economical operation, carrying 5 people at 170 mph on 16 gph. If you love the fly-in circuit, you'll love flying this beauty.

Airframe: 3,358 Hours
Engine: 112 Hours SMOH
