

1969 Cessna 150K Commuter
AIRCRAFT SPECIFICATIONS
N-Number: N6096G S/N: 15071596

This is a super little 150 Commuter with excellent Garmin 250XL GPS/Comm. Owned and flown by professional jet pilot, this is a low time airframe (only 127 hours per year average) with just 816 since overhaul. Good compression, excellent flight characteristics. Needs paint attention, but panel and overall condition is better than average.

Airframe: 5,980 Hours
Engine: 816 Hours SMOH

Avionics
