

**1965 Piper PA-24-260 Comanche 260**  
**AIRCRAFT SPECIFICATIONS**  
**N-Number: N8658P S/N: 24-4103**

The world's best Comanche 260 is on the market - and it must be seen to be believed. Owned by a legendary West Texas A&P/IA and Designated Flight Examiner, N8658P is a one-of-a-kind award-winning aircraft. Throw out the vRef or Bluebook on this aircraft, it can only be measured by appreciation for perfection. It is a collector's dream and if you are a fastidious pilot looking for an absolute gem, this is the one. Just 3540 TT, 1275 SMOH, 80 STO, 3-bladed prop, all LoPresti mods, Garmin 530W, GDL69, GTX330, KX-165, Sandel EHSI, WX950, custom interior & panel, S-Tec 50, GPSS, speed brakes. Easy 170 kt. cruise speed.

**Airframe: 3,530 Hours**
