## 2004 Cessna 182T Skylane with G1000 and BRS Parachute

### AIRCRAFT SPECIFICATIONS

**N-Number:** N2114V **S/N:** 18281320

This extra-clean G1000 non-turbo Skylane features a BRS Full Airframe Parachute for safety and peace of mind. G1000 glass panel includes Terrain and Obstacle mapping, WX-500 Stormscope, XM Weather and Music, and Traffic Information System (TIS). Excellent maintenance history at Cessna Service Center. Engine time near TBO, but operating perfectly with regular oil analysis and boroscopic inspections. Never used in flight school, professionally managed.

**Airframe:** 1,975 Hours  
**Engine:** 1,975 Hours SFNEW  
**PROP:** 100 HOURS SPOH
