

N506BW Aircraft Specifications

N506BW 2008 Quartz Mountain Aerospace 11E (Luscombe 11E) ; Serial 1010

Take Don Luscombe's vision of the 11E Sedan and add a modernized airframe with a tricycle nose gear and you have the amazing re-imagined Quartz Mountain Aerospace 11E. Prized by its owners for simplicity, excellent flying manners, powerful Continental IO-360 and a great panel with dual Garmin 430W. Cruise at 125-130 kts sipping just 8 gph. Cabin as roomy as a 182, flies more docile than a 172. This is a great trainer or personal traveler. A 2008 classic with only 786 hours total time!
